Project Management Services

Choosing FSloffice for your furniture needs means working with a dedicated service team. Our project managers walk you through every step of the process from thought to finish, ensuring timely and seamless completion.

- Job Site Evaluation and Coordination
- Trades Coordination
- Delivery & Installation Management
- Punch List & Warranty Services

Project Services

Sometimes new furniture isn't needed to create your new space. Sometimes all you need is a trusted partner to help you execute the new iteration of your space. Let our team take over these tasks and allow you to focus on implementing the change and meeting your goals in your space.

- Installation
- Reconfiguration
- Relocation
- Warehousing and Storage
- Furniture Decommissioning & Disposal

Post Project Support

We are here to make sure you know how to use each product, and there are no issues with your products when delivered or down the line.

- Product Immersion Training
- Warranty Related Claims
- Reupholstery Services

Our Process

Collaborate **Connect | Discuss | Plan**

- Meet with a furniture specialist
- Discuss your goals and needs
- Explain our process
- Get started on your design

Create **Design | Revise | Finalize**

- Our team will take all the information from the meeting and begin designing
- A furniture specialist will present you with creative solutions for your workplace needs
- Submit feedback
- Make any revisions, edits, or adjustments and create a finalized quote

Complete **Finalize | Procure | Install**

- Fine tune the details with fabric and finishes coordinated to match your space and style
- Procure furniture from manufacturers
- Deliver and install furniture to bring your new workplace to life
